

The University of New South Wales (UNSW) is one of Australia's leading international universities, attracting outstanding scholars and students from around the world. UNSW has 52,000 students with more than 120 different nationalities represented. Established in 1949, UNSW has been welcoming international students since 1951.

STUDENTS BY FACULTY

UNSW offers more than 300 undergraduate and 600 postgraduate programs with progressive and relevant curricula.

12,146 AUSTRALIAN SCHOOL OF BUSINESS	9,403 ENGINEERING	5,763 SCIENCE
6,589 ARTS AND SOCIAL SCIENCES	3,483 MEDICINE	2,665 LAW
3,080 COLLEGE OF FINE ARTS	3,277 UNSW@ADFA, CANBERRA	2,970 BUILT ENVIRONMENT

UNSW IS LOCATED IN SYDNEY, AUSTRALIA

The UNSW Kensington campus (the main campus) is located in the eastern suburbs of Sydney, approximately 15 minutes from the Central Business District and Sydney Harbour, and 10 minutes from popular east-coast beaches Coogee and Bondi Beaches.

Sydney is Australia's largest and most dynamic city with a vibrant and ever-changing urban centre. Ranked as one of the world's most liveable cities according to The Economist's *Global Liveability Report 2011*, Sydney is exciting and cosmopolitan with a lifestyle like no other city in the world.

Sydney's warm and sunny climate lends itself to a healthy outdoor lifestyle. The city is surrounded by pristine sandy beaches, national parks and mountain ranges so you can enjoy outdoor activities such as swimming, hiking and camping.

STUDENT EXPERIENCE

Attracting the best and brightest students from Australia and around the world, UNSW is renowned for its research, learning and teaching, and the quality of its graduates.

UNSW offers an extensive range of undergraduate, postgraduate and research programs designed by outstanding academics and researchers.

With extensive international links, close relationships with business and industry, and state-of-the-art facilities, UNSW students receive a world-class education. Graduates are in high demand in Australia, Asia and beyond.

UNSW was the top-ranked Australian university in the most recent Australian Federal Government's Learning and Teaching Performance Fund. UNSW Staff are regular recipients of national and international awards for their innovation and teaching excellence.

UNSW FACULTIES

The Australian School of Business (ASB) is one of the largest Business Schools in the Asia-Pacific. ASB is rated #1 amongst the Group of 8 universities, equal 1st in the *Excellence in Research for Australia (ERA)* rankings in Commerce, Management, Tourism and Services; and Equal 2nd for Economics. Students benefit from the highest median starting salary for business, accounting and computing/IT graduates in Australia (GUG 2011).

The Faculty of Engineering is the largest Engineering Faculty in Australia with the widest range of engineering programs. The Faculty is currently ranked 39th in the world according to the *QS World University Rankings* for 2011/2012 and 1st in Australia (Melbourne Institute of Advanced Studies).

The Faculty of Arts and Social Sciences is a leader in teaching and research in Australia, with top rankings both nationally and internationally. Students are part of a vibrant community, and study programs designed to respond to the social, cultural, economic and technological challenges facing a rapidly changing world.

The College of Fine Arts (COFA) is a national leader in the field of art, design and media education, and recently received A\$48 million from the Australian Federal Government for the complete redevelopment of COFA.

UNSW Law is a leader in legal education in Australia. UNSW Law School leads and inspires change through public engagement, mutual respect and an inclusive sense of community. It has enabled more than 10,000 graduates to apply a rigorous, socially responsible legal education to a diversity of careers.

The Faculty of Medicine is a leading research-intensive medical school with a research budget of over A\$100 million per annum. The new Lowy Cancer Research Centre, a state-of-the-art facility opened on campus in 2010. The Faculty has one of the largest undergraduate medical programs in Australia.

The Faculty of Science is a powerhouse of research, each year earning significant research funding through competitive grant schemes, from industry and non-government sectors. The Faculty of Science employs award-winning researchers and teachers. The Faculty enjoys a diverse mix of high performing students, who benefit from strong links with industry partners and strong career prospects.

UNSW Built Environment is internationally recognised for quality education and leadership in industry research. The Faculty achieved above world standard rankings in the ERA Rankings for 2010, and maintains working and learning relationships with some of the world's most reputable institutions including the Politecnico de Milano Design School (Italy) and the Tsinghua University (Beijing, China).

UNSW Foundation Studies is the first and largest on-campus university preparation in Australia, established in 1988.

The Institute of Languages was the first on-campus university language preparation centre in Australia, and celebrated 45 years of operation in 2011.

Global Opportunities

THE UNIVERSITY OF NEW SOUTH WALES (UNSW) IS ONE OF THE TOP 50 UNIVERSITIES IN THE WORLD.

UNSW is ranked 49th in the world* and is the first Australian university to receive the prestigious *QS Five Star Plus* rating in the areas of graduate employability, teaching, learning environment, facilities, culture, internationalisation, innovation, engagement and research. The 2012 *Australian Good Universities Guide*** scored UNSW the maximum five-star rating in all eight key performance indicators.

UNSW consistently performs well in speciality subject areas with the AGSM MBA, delivered by the Australian School of Business, ranked as the top MBA in Australia and 41st in the world*** and UNSW is in the world top 50 in the areas of Engineering and IT, Social Sciences and Life Sciences.*

As a founding member of both the Group of Eight, a coalition of Australia's leading research-intensive universities, and the prestigious Universitas 21 international network UNSW is an internationally recognised research-intensive institution. UNSW is currently ranked as Australia's 4th most research-intensive university according to the *Excellence in Research for Australia Report*.
